

# AP Test Registration 2019

# Why should I take the exam?

- **Earn College Credit** - The amount of college credit awarded varies from college to college. Check the college websites for more information. Advanced college placement avoids repeating work and **could save the cost of up to two years of study.**
- **Stand out in the College Admissions Process**
- **Gain Skills that will help You Succeed in College**
- **Earn AP Scholar Awards**
- **Ghosh Incentive Program** – helps reduce the cost of the exam
- **Success in AP leads to success in college**; performing well on an AP Exam means more than just the successful completion of a course; it is the gateway to success in college.

# AP Helps Students Graduate on Time....

Students who take AP courses and exams are much more likely than their peers to complete a college degree on time.

- Only **one in four** students who enter college complete a bachelor's degree in four years.\*
- A recent study\*\* showed that students taking AP courses and exams were **much more likely** to earn a college degree in four years.

For example, AP English Literature students had four-year college graduation rates that were **62% higher** than students that had not taken AP English Literature.

\* IPEDS database, 2008

\*\* Linda Hargrove, Donn Godin, and Barbara Dodd, "College Outcomes Comparisons by AP and Non-AP High School Experiences." The College Board, 2008.

## ...and Save Money

- Students who take five years or more to graduate can spend **\$8,000-\$27,000 for each additional year in college.**
  - The typical college cost per year for a four-year public institution is \$8,142 for in-state students and \$19,670 for out-of-state students.\*
  - Students attending private institutions might expect to incur \$27,389 for each additional year it takes to earn a bachelor's degree.\*

\* Costs include tuition, fees, and books and supplies only, and do not include room, board, and other living expenses. Average Estimated Undergraduate Budgets, 2009-10 (Enrollment-Weighted). The College Board, "Trends in College Pricing," 2009.

# AP Credit Policy Information

Information about AP credit and placement policies at many colleges and universities is available at [www.collegeboard.org/apcreditpolicy](http://www.collegeboard.org/apcreditpolicy).

1. Search by college or university name or by letter of the alphabet
2. You will see two things for each school:
  - A link to the college's own Web page that details its AP credit and placement policies.
  - A statement by the college or university about its AP policy.

The screenshot shows the CollegeBoard website interface. At the top, there are navigation links for 'FOR STUDENTS | FOR PARENTS | FOR PROFESSIONALS', 'About Us | Store | Help | En Español', and a search bar. The CollegeBoard logo is on the left, and 'for Students' is on the right. Below this is a horizontal menu with buttons for 'College Board Tests', 'Plan for College', 'Find a College', 'Apply to College', and 'Pay for College'. The main content area is titled 'AP®' and includes a breadcrumb trail: 'Home > College Board Tests > AP Credit Policy Info'. On the left is a vertical menu with links: 'About AP', 'Registering', 'Preparing', 'Calendar & Fees', 'Exam Day', 'Exam Grades', 'Exam Security', 'Contact Us', and 'Subjects'. The 'Subjects' link is selected, showing a dropdown menu with 'Select a Subject'. The main content area features the heading 'AP Credit Policy Info Advanced Placement Program' and the text 'Find colleges and universities with AP credit policy information:'. Below this is a list of letters: 'A - B - C - D - E - F - G - H - I - J - K - L - M - N - O - P - Q - R - S - T - U - V - W - X - Y - Z'. There is a 'School Name:' input field with a 'Go' button. To the right, there is a box for 'AP International Recognition' with the text 'For information on the recognition of AP at universities outside the United States.' and a link 'Go to AP International Recognition'.

# Ghosh Incentive Program

- Students who complete **two or more** AP examinations **and** earn at **least one score of “3”** or higher on the examinations will receive reimbursement for the cost of the tests.
- A student must take at least **two** AP exams in the same year to qualify.
- Each student’s low score will be thrown out, and all other scores of “3” or higher will receive a reimbursement of \$20. Students who receive scores of “4” or “5” will receive \$30.
- All students who qualify for reimbursement from the Incentive Program will also receive commemorative t-shirts and certificates. There is no limit on the number of AP exams that a student can take or on the number of exams for which a student will be reimbursed

# Registration Procedures

- The exam fee for 2019 is \$94 per exam.
- Assistance is available for eligible students with financial need:
  - **Free/Reduced Lunch Students – Enter Code on Website**
  - We do not want financial need to stop students from taking AP tests
    - Talk to Mrs. Richey if you need financial assistance

# Information

- You have until Friday, March 1st to register for AP exams
- Online registration - <https://aptestservice.com/crcsd/>
- Pay via credit card online or mail payment to address
