

How to access your SkyDrive files from Anywhere

From any device that can access the internet.

Enter this link from your web browser.

<http://Login.microsoftonline.com>

1. Type in your district email ex. slytle@cr.k12.ia.us
Select **Sign in**.
2. A screen similar to the one below will appear (enter your district user name and password).

3. Then the following screen will appear (This is your CRCSD SkyDrive). You will see the files that you uploaded from your work computer.
