

Kennedy Student Parking 2017-2018

Parking space at Kennedy High School and neighboring churches is very limited. Therefore, restrictions and permits are necessary and are enforced. Please understand the parking limitations and consider a car pool, the bus or alternative forms of transportation. ***Juniors and seniors are encouraged to purchase permits at church lots (Lovely Lane is the closest), as the campus south lot is particularly overcrowded.***

~ Requirements & Regulations ~

- A completed vehicle registration card is required for every vehicle parked on campus or in one of the church lots.
- Must show a **valid driver license** or **school driving permit** to obtain a parking sticker.
- Parking permit sticker must be placed in lower right corner of front window.
- Park only in the lot designated by the permit sticker.
- Park only in designated student areas (on campus: spaces marked with yellow lines, church lot: specified in the church parking contract)
- Students are allowed only 1 permit in only one lot at any given time; if a new sticker is needed during the year, the old sticker **MUST** be peeled off and turned in before a new one is issued. If car is sold we need proof of sale. If car is damaged and unable to retrieve sticker, we need proof of automotive work done.
- Parking permits are **not** transferrable to other students.
- Temporary parking permits are issued by the receptionist when there is a need to drive a car different from the one registered with the school. The license plate # of the temporary car **MUST** be provided.

OVERNIGHT PARKING IN ANY LOT IS NOT PERMITTED

A parking permit does not guarantee a parking space in the south lot (more permits are issued than there are spaces available.) Be prepared to search for street parking if there are no spots available in the designated lot. Many of the closest streets have 2 hour parking only. ***Streets in the area that have at least one side of the street with no parking restrictions are: Falbrook Dr, Glen Elm Dr, Towne House Dr and Westchester Dr.***

Church Parking On-line Sign-up Schedule

In order to eliminate the need for long lines very early in the morning, we will be using an online form for students to put down their intent to reserve a church lot parking space. We will turn on the form each evening at the designated time below and the order of reservation will be dependent upon how quickly you sign up on the form. We have 246 total church lot spaces. For Juniors and Seniors, the first 246 students to sign up will be able to come to Kennedy within a two day period and pay for their space. After the two-day period, if fewer than 246 Juniors and Seniors sign up *and* pay for church lot spaces, we will then open the form to Sophomores according to the schedule below. How many remaining number of spaces are available will determine how many students on the Sophomore list will be eligible to reserve a space. Those Sophomores will be able to come to Kennedy within a two day period and pay for their space. If spaces remain after that period, we will open a sign-up for Freshmen.

To guarantee your spot you **MUST** come to the Kennedy Attendance Window to fill out the church application (**parent/guardian signature required**), Kennedy vehicle registration card, payment with check made out to the church, and show driver's license or school permit at the designated times below for each class.

South Lot Parking - Juniors and Seniors only

All seniors and juniors qualify to park in the south lot. Although, a south lot parking permit does not guarantee a parking space in the south lot. More parking permits are issued than there are spaces. For that reason you might want to consider a church parking lot to guarantee a spot. Juniors and seniors must fill out a Kennedy vehicle registration card and show their driver's license or school permit to get a south lot sticker.

Seniors and Juniors can sign up for south lot parking starting at 8 a.m., **Wednesday, August 16th** at the Kennedy Attendance Window. This will be an on-going process throughout the week before school starts so there is no need to stand in a long line!

North Lot Parking – Seniors only

A limited number of spaces located on the far north end of the faculty parking lot will be open to senior students. A north lot application must be filled out and approved by administration in order to park there. CRITERIA: Students with off-campus classes BEFORE coming to Kennedy (building trades, Kirkwood classes, etc.), students with 1st or 2nd hour releases and other reasons if space is available. All fines must be paid to date. Good school attendance and good academic achievement. Seniors can fill out a north lot application at the Kennedy Attendance window starting **Wednesday, August 16th** during regular office hours.

Consequences of Parking Violations

- School security personnel will ticket vehicles parked in school lots and designated church spaces:
 - If a valid permit for that specific lot is not displayed.
 - If the car is parked in anything other than a student space with yellow lines – e.g. fire lane, loading area, staff area, designated disabled space.
- Each parking ticket/violation is **\$15.00**.
- Reckless driving may result in immediate revocation of the parking permit and/or may result in permanent loss of parking privileges.
- Vehicles may be ticketed and/or towed if parked in an unauthorized area at owner's expense.
