

Registration Timeline for 2017-18 Academic Year

January 18	Advisory Homeroom - Opportunities Video
January 23	Advisory Homeroom - Live Explanation of Kennedy Exploration Cruise
January 25, 26, & 30	Kennedy Exploration Cruise (held during SMART Time)
January 31	Advisory Homeroom – Registration video and distribution of materials
Jan 31 – Feb 3	RECOMMENDATION DAYS begin: Students will gather course recommendations from current teachers.
February 2 - 5	PowerSchool window open for 9-11 th grade students to complete online registration. Registrations in Power School must reflect recommendations on the signed registration forms that students will turn in.
February 1, 2 & 3	Special Education (Level 2 & 3) and ELL students will individually complete online registration with Counselors during assigned class time in computer labs. Completed registration forms will be collected at this time.
February 6-13	Students will review online registration with Counselors and Administrators during assigned class time in computer labs. Sessions will be held throughout the week during assigned times for Earth Science (freshmen), LA 10 (sophomores) and US History (juniors) classes. Completed registration forms will be collected at this time.
February 14-17	Make-up Registration Sessions – students who missed during their scheduled time will review online registration individually with Counselors.
