

DEPARTMENT OF  
PHYSICS AND ASTRONOMY  
THE UNIVERSITY OF IOWA  
IOWA CITY, IOWA

## The Strayer-Rairden Scholarship in Physics

The Department of Physics and Astronomy awards one \$1000 grant each year, renewable for up to three (3) successive years following the initial award, to an entering freshman from the state of Iowa. This person is selected by the Department of Physics and Astronomy as the state's best qualified applicant who matriculates at the University of Iowa and has declared physics or astronomy as their major. This scholarship is awarded on the basis of academic merit, not financial need.

As long as a scholarship winner maintains a 3.2 grade point average, and remains in the declared major specified above, the scholarship may be renewed for a total of four years or the completion of a baccalaureate degree, whichever comes first.

Please go to <http://www.physics.uiowa.edu/undergraduate-program/undergraduate-scholarships-and-awards/strayer-rairden-scholarship-physics> to view guidelines and obtain a copy of the application form. To request a copy of the application, please contact Heather R. Mineart at 319-335-1688 or [heather-mineart@uiowa.edu](mailto:heather-mineart@uiowa.edu). Please specify if you would like to receive a copy electronically as a Word attachment or if you would prefer us to send you a hard copy. The deadline for applications is January 31, 2017.

The University of Iowa prohibits discrimination in employment and in educational programs and activities on the basis of race, national origin, color, creed, religion, sex, age, disability, veteran status, sexual orientation, gender identity, or associational preference. The University also affirms its commitment to providing equal opportunities and equal access to University facilities.
